DOING IT THE RIGHT WAY

There's almost nothing like the feeling of a warm vibration inside my pussy. It's really too bad that guy's fingers and cocks don't vibrate. Imagine what that would be like, real live flesh and vibrations, too. I think we women would get off in a New York minute. But, in reality, almost any sex is good sex because there is no wrong way to do it!

TWO CANDLES BURNING

No guy had ever
kissed her like that.

Certainly no other
girl had!

And this was her own
very best friend

She kissed me.

It wasn't a quick peck on the cheek, either. It was a deep, penetrating kiss that seemed to last forever and was over before I wanted it to be.

"See," Lori said as she pulled her face away from mine. I could see a smidgen of my lipstick on her top lip, a stark contrast to her own. "That's how a guy should kiss."

I felt flushed and light-headed. I touched at my hair, pushing imaginary strays back into place.

"If I ever met a guy who could kiss like that, I would fall in love instantly," Lori continued.

I took a deep breath and let it out slowly.

Lori asked, "You okay?"

"Yes," I lied. I stood suddenly and turned away from her so she couldn't see the blush that I felt warming my cheeks. I headed toward the kitchen. "I'm getting another soda. You want one?"

"Sure," she said.

In the kitchen, I leaned against the sink and took several deep breaths, letting each one out as slowly as possible. I needed to still my fluttering heart. I'd never been kissed like that before—not even by a guy and certainly not by another girl.

We'd just been sitting on the couch together, talking about all the bad dates we'd had, when Lori had taken my face in her hands and kissed me. I was too surprised to pull away, and then I hadn't wanted to pull away.

"You get lost in there?" Lori called.

I opened the refrigerator and found two diet sodas. I returned to the living room and handed one to Lori, then settled into one of the chairs opposite the couch.

"So, anyway," Lori said, "I was telling you about...."

The words never reached me. Even though she'd been my best friend for years, and even though we'd shared dressing rooms in more than one department store, I don't think I'd ever really looked at Lori. She wore faded jeans and an oversized red flannel shirt that de-emphasized her ample breasts, narrow waist, and generous hips. Her raven black hair flowed in loose curls to her shoulders, and every few minutes she used her slim fingers to brush it away from her eyes.

As she talked, I noticed the way she used her hands to punctuate each sentence, and how she leaned forward when she wanted to make a particularly important point. Mostly I was fascinated by that speck of my lipstick on her upper lip, and my gaze kept returning to it.

Lori reached over and touched my knee. I felt an electrical shock course through my leg, tingling the very essence of my womanhood. "Still with me?"

"Umm-hmm," I said. I had no idea what she'd been talking about.

"So what do you think?" she asked. When I didn't respond, she prompted, "Tomorrow night? The movies? Just you and me?"

"Sure," I told her. "That would be great."

"It's a date, then," Lori said as she stood to go. I

walked her to the door and just before she stepped onto the porch, Lori gathered me into her arms and gave me a big hug. Our breasts mashed together, and I felt my nipples respond.

After Lori finally left, I took a long, cold shower, but it wasn't enough. Even as I stood in the tub toweeling myself dry, I remembered the kiss and the way my knees had gone rubbery and my breath had escaped me. I closed my eyes and remembered how her hands had felt as they held my head, how her tongue had felt inside my mouth, how my nipples had tightened with desire.

I felt myself grow wet, my pussy lubricating with anticipation. I dropped the towel, and with my eyes still closed, I ran my hands over my own modest breasts, cupping them in my hands and feeling my turgid nipples straining against my palms. I took each thick nipple between thumb and forefinger and rolled them back and forth.

I moaned softly, feeling the warm air escape my lips, and I knew I couldn't stop myself as my hand trailed lower, over the slight roundness of my belly and then through my sparse blonde pubic hair. I parted my swol-

sager and grabbed the towel bar to keep from falling. Water sprayed everywhere.

I didn't care.

About half an hour later I had just pulled on my sweatshirt and jeans and was straightening my hair when Lori rang the doorbell.

"Can I come in?" she asked when I pulled the door open. I stepped aside, letting her brush past me.

I looked deep into her eyes, noticing the tiny mote at the bottom of her left eye, the dark spot surrounded by emerald green. I took a deep breath and slowly let it out. I'd never been with another woman before; I'd never even wanted to be with another woman, but at that moment I wanted Lori.

She took one of my hands in hers. "I was thinking about earlier," she said. Her voice was a little deeper, a little huskier than usual.

"I was too," I said. I licked my lips with the tip of my tongue.

I led her to the bedroom, lit a pair of vanilla-scented candles, then turned down the comforter and sheet. When I turned around, Lori stood in the doorway.

She looked at me, at the candles, at the bed, and then back at me. She stepped forward and took me into her arms. Her lips covered mine, and I tasted her lipstick.

I closed my eyes and let the kiss take me away. It was long, and deep, and penetrating, just like the first kiss a few hours earlier. Our tongues met in a passionate dance, and then our hands began to find and release buttons, zippers, clasps. Our clothes fell away, and then our hands searched one another's body, each curve so achingly familiar yet so very different from our own.

My breasts fit in the palms of Lori's hands, quarter-sized areolas constricting as my nipples stiffened with desire. Lori's milky-white breasts sagged under their own weight, with tiny stretch marks radiating out from her pale pink areolas. Her nipples were as fat as my pinky finger, and I stroked them lightly with the balls of my thumbs.

My slim hips and tight butt contrasted with Lori's generous hips, and while my figure is far from unfeminine, hers more closely resembles the classic hourglass. While my pubic mound is sparsely covered by pale blonde hair, hers is a thatch of tightly curled black hair.

We had all the same parts in all the same places, and yet our fingers never hesitated to explore. We stood together for a long time—kissing, touching, fondling, caressing—and then we stepped over to the bed and slipped between the cool sheets. They were crisp and clean and

len labia and slipped my index finger inside my crease, quickly finding the swollen bud of my clitoris. I teased it with the tip of my finger, using the circular motion that I always found more erotic than simple stroking.

I felt the blood rushing from my head, and my knees felt weak. I reached up and unhooked the shower massager; then I reached down and turned the water back on, warm this time. I used the water to warm my entire body; then I directed the pulsing stream at my clit as I held my labia wide open.

My hips began to move forward and back, and I knew I would be unable to restrain myself.

A moment later I came, my entire body shaking with orgasm, and I had to bite my lower lip to keep from screaming out.

My legs turned to rubber. I dropped the shower mas-

felt silky-smooth against my skin.

I lay on my back, and Lori poised over me, her heavy breasts hanging down on my chest. She kissed me again and continued kissing me. Her lips trailed from my lips to the line of my jaw, from there to my breasts, taking each nipple in turn into her mouth and suckling gently.

She had one hand between my thighs, cupping my pubic mound. She stroked one finger along my swollen labia, and I felt myself become slick with desire.

I parted my legs, and Lori slipped one finger inside me, past the swollen outer lips, past the slick inner lips, and then quickly finding the elusive g-spot. I spread my legs wider still.

Lori's lips trailed over my abdomen and then lower still, until I could feel her hot breath tickle my pubic hair. She pulled her hand away from my pubic mound and replaced it with her mouth. She slipped her tongue between my pussy-lips and teased the swollen bud of my clit with just the tip.

As she did that, Lori adjusted her position, swinging one leg over me so that her thighs were on each side of my head and her pussy was inches from my face. The thick outer lips had parted slightly, and I could see the wine-dark inner lips peeking out. I could smell the musky scent of her desire, and it turned me on.

I reached up and used my fingers to separate her labia, and then I buried my face in Lori, tasting the essence of her womanliness as I buried my tongue deep inside her.

We licked, and stroked, and nibbled, doing to each other all of the things we had always wanted done to us. I could feel Lori's love juice trickle down my chin as I lapped at her quivering pussy, and I could feel her saliva trickle from my pussy along the crack of my butt to soak the sheet beneath me.

I was the first to come. My hips began bucking up and down, thrusting my pubic mound hard against Lori's face as she tongued me to orgasm. My entire body spasmed, and I screamed with pleasure when the orgasm

tore through me, the sound muffled by Lori's thighs and the mouthful of her muff.

When Lori came a minute later, she came hard, forcing her pubic mound against my face and nearly smothering me as she tightened her thighs around my head.

When Lori finally relaxed and rolled off me, we were both struggling to catch our breath. She turned around, and we lay entwined in one another's arms. I was on my back, and she was on her side, one heavy breast mashed against my arm, the other resting on top of my chest. She had one leg thrown over me, and I could feel her damp pubic hair against my hip.

The room smelled of our coupling mixed with the vanilla of the scented candles, and it was a good smell. I breathed deep. Then I turned my head and kissed her. I tasted myself on her lips, and I'm sure she could taste herself on mine. We kissed again.

These were softer, slower kisses, more lip than tongue, and they seemed to last forever. As we kissed, Lori's fingertips drew random designs on my skin, finally trailing between my thighs again, and I

opened myself to her touch.

I reached out for her, to touch her the same way, and she pushed my hand away.

"I want to watch you," she whispered as she slipped a finger into my still-slick pussy. She began stroking my clit, and it swelled with desire. I reached down to her hand and urged her finger into a circular motion. I smiled as she adjusted her technique.

I moved my hips with her and against her, the circular motion drawing me closer and closer to my second orgasm. Lori watched my face, gazing deeply into my eyes as the moment grew closer and closer.

My eyelids fluttered, and then I couldn't keep my eyes open any longer, and I came. The moment seemed to last forever, and when I opened my eyes again, my best friend was still there, still examining my face, and her hand was still between my thighs.

"You're beautiful when you come," Lori said.

Then she leaned down and kissed each of my eyelids.

We lay together for a long time after that, finally slipping into dreamland.

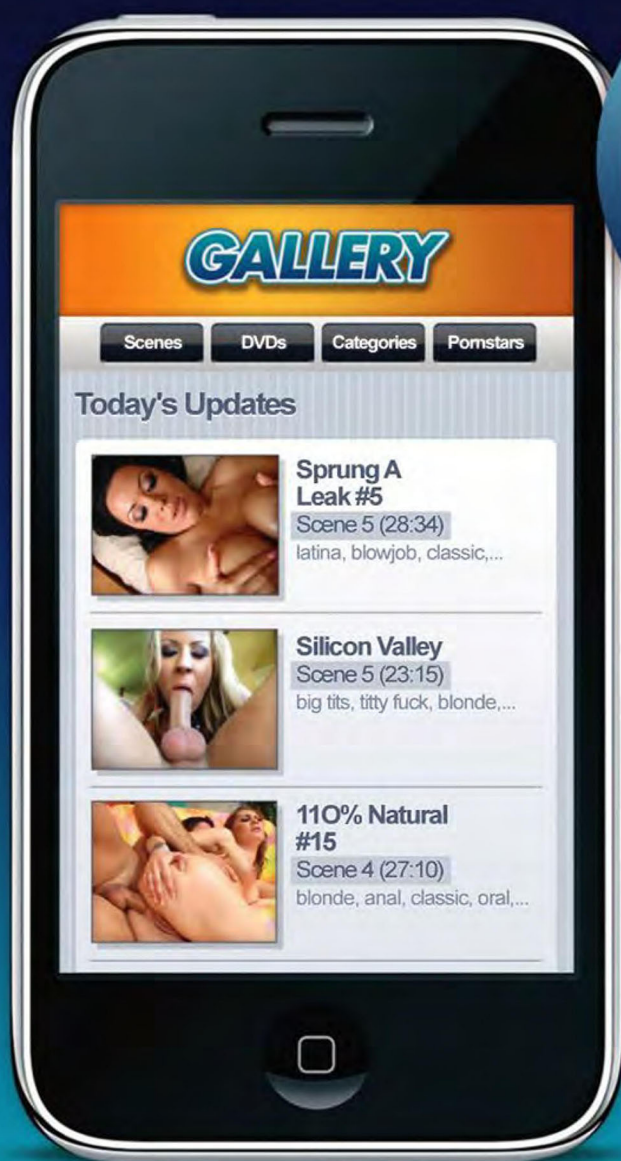

When I awoke the next morning, I was alone in the bed. Lori's clothes were gone, and mine had been picked up from the floor, folded, and placed in the white wicker rocker by the dresser. The candles had burned themselves out sometime during the night.

Even though we're still close friends and we still spend a lot of time together, Lori and I never spoke about that night. Perhaps we were just two candles that burned bright for one night and could never be lit again.

LANA RHOADES

BEAUTY AND THE COCK

I love Peruvian food, champagne and flowers, and I relish every moment of life without hurry or concerns. I run in the fast lane but always take it nice and slow. I take my men lightly, but sex seriously. I want to be sure there is the right connection before I put my body and emotions on the line. But when I do, it's all out. Every part of me is in for the flight to ecstasy and you can be my co-pilot. Just be sure that we land together.

I think it all started early with me. I loved to masturbate and run my fingers all over the sexy parts of my body. I'd pinch my nipples hard until they were very sore. Then I discovered that playing with my pussy felt really good. Now I let guys do that for me and it feels even better. Every one has loved playing back there.

CUM TO MOMMY!

hot wired

She was afraid what
would happen if she
tried lezzy sex and didn't
like it but her boyfriend
inadvertently gave her a
hint as to how to try it

It was my boyfriend who gave me the idea and, in so doing, helped me make my uncertain, fumbling way into the world of girl-to-girl sex. Of course, he never meant to do any such thing. But, nonetheless, it was from him that I got the idea that made everything possible.

There are two things you need to know before I tell you the story. First of all, I'd often wondered what girl-to-girl sex was like. The idea intrigued me. But finding out if the reality was to my liking was something entirely different. If any of my friends was bisexual, she certainly was keeping it a secret. And you can't just go up to a perfectly straight girl—even a good friend—and say, "Let's try lesbian sex and see if we like it." So...who to try it with?

Of course, I could always go to a gay and lesbian bar and let another girl pick me up...but what if, once we got back to her place and got undressed, I found lesbian sex wasn't at all to my liking? What was I to do then? Say, "Sorry...I guess I made a mistake"? I don't think so!

So there I was, wanting to try lez sex but not knowing quite how to go about it. How was I to find out if it really turned me on...or if I was merely intrigued with the idea of doing something different and vaguely wicked?

The other thing you need to know is that Jared—my boyfriend—travels a lot on business and is often gone for a week or two at a time. Now, Jared is one horny

son-of-a-bitch. When he's not out of town, we often have sex virtually every night. He really needs it a lot!—this is not a complaint, you understand!—but I often wondered how he managed when he was out of town. Did he really just jack off a lot...or was he cheating on me? Picking up girls in hotel bars or even using prostitutes to get his rocks off? So, one day I finally asked him.

He looked like the kid who's been caught with his hand in the cookie jar. Guilty. Guilty as hell. "Which is it—prostitutes or bar pick-ups?" I asked him.

"Neither!" he insisted vehemently. "Then what? It's something. I know that look! How are you getting relief out of town? What do you do?"

"Neither!" he insisted vehemently. "Then what? It's something. I know that look! How are you getting relief out of town? What do you do?"

He looked down at the floor. He shrugged his shoulders. "Nothin' much," he said, still not facing me directly.

"Yesssss?" I asked. "Like...what?"

"I've never cheated on you!" he said, finally raising his eyes to meet mine. "I've never had another girl since we started seeing each other!"

"Then what do you do out of town?" I insisted, keeping my voice as level as possible. "What is it you don't want to tell me?"

He looked at me. He looked away. He shrugged his shoulders.

"Well?"

"I call one of those...services, y'know?" he finally said in a quiet voice.

"Services?"

"It's not cheating if I'm not really with the girl! It's just over the phone. We never...you know...get together. It's just a phone call."

"Tell me more." I was curious. I'd heard of phonesex services but didn't know much about them. "How does it work? She...gets you off over the phone...somehow?"

"Yeah. You know."

"No. I don't."

"She...talks me through...you know...talks to me...talks hot to me. Till I get off. Anything I want. Even kinky stuff. Stuff I'd never do in real life. But on the phone...it's safe."

I was interested in following that line of thought some other time...what was he interested in doing over the phone that he'd never do in real life? But right now I was off on another tangent.

He'd said kinky stuff. Stuff you might not do in real life. Anonymous but hot encounters on the phone with girls who weren't in the room with you.

Do you see where this was headed in my mind?

"Where do you find these services?" I asked.

"They advertise in the national sex magazines and in newspapers and leaflets in some cities. Publications aimed at 'adult entertainment'. Why...thinking of signing up to work at a phone sex service?" he teased.

No...but he was closer to the truth than he realized. I was thinking of using a phone sex service. Thinking of having my first girl-to-girl experience by phone. If I blushed scarlet, freaked out, or got totally turned off, the girl at the other end didn't have to know. And even if she did, she wouldn't be angry. She wasn't with me for her own pleasure. She was just earning a buck—a buck she'd have earned whether I got off with her or turned tail and ran.

Two days later, having gotten the number of a phone sex service, I started to dial...and chick-

ened out, hung up, then started to dial again. On the third try, I finally got through all the digits without hanging up. Then I was embarrassed to explain what I wanted. Another girl—for a bisexual hot phone call. Finally I got through it all—the explanation, giving my credit card number, the whole routine. And I was talking to a girl who called herself Pammy.

"You're going to have a good time with me," she promised. "I'm going to make you feel soooooo good. Are your clothes off? My tongue is tingling for a taste of your body. Let me start at your neck and lick there. Mmmm, feel me licking the side of your neck? And now I'm working my way around to the front, the hollow of your neck."

"Get on my boobs!" I said, impatiently.

"Mmmm, yes, nice, full, rounded ones, aren't they? Do you like to feel a tongue flicking across your nipple? Can you feel the raspy bumps of my tongue as it flicks across your nice, big nipples? Feel me swabbing your nipples and leaving saliva on them...now I'm going to blow on it. Mmm? Feel the cool breeze?"

I did feel the cool breeze. Though I felt awkward and self-conscious, I was beginning to get into the scene a little bit. "Mm-hmmm," I said into the phone. "Keep going."

"Do you like having your tits sucked? Nibbled at?"

"D-do whatever you want."

"Okay. Then let me swirl my tongue around your nipples a little more...mmmm...and now I'm closing my lips around your nipple and starting to suck. Mmm, such nice nipples. They're getting hard, aren't they? They're getting nice and firm and pointy for me, aren't they?"

I looked down, touched one breast, and found that indeed they were getting harder and pointier. The

(Taking my hand, he leads me behind the counter, away from the windows. I see his hard young body straining at his unbuttoned overalls.)

areolae were crinkling up, and the nips were jutting out. I strummed one nipple with my own finger, imagining it was Pammy's tongue. Suddenly I realized she was waiting for an answer. "Mm-hmm," I answered, a little shyly. "Nice and stiff. Pointy. Just like you said. Do some more."

"I'm going to nibble on them now," she said. "I'm going to scrape my teeth up the sides of your nice, big nipples, and feel all those lovely bumps. Such nice, firm, big bumps. My teeth are tantalizing them. Shall I bite down just a little? Very carefully! Mmm, firm tit-flesh. But I think that's enough attention to your nipples. Don't you want me to lick out your pussy?"

"Oh, yes!" I was surprised at the ardor with which I answered her. My free hand was still playing with my nipples, helping them to feel even more keenly the actions she described, but now my clit began to throb, and I realized I was hungry to feel her down there. "Yes...lick your way down to my pussy."

As soon as I said it, I felt a blush spread across my face. Where had this newfound brazenness come from...and by the way, where had this lesbian lust come from?

"Feel my tongue trailing down your body. I'm tongue-walking from your boobs down across your midriff, across your tummy, down to your bush. Mmm, nice fragrant bush. You smell like a woman in heat. Good. I like my girls hot for me. I like my lovers eager and steamy. Are you nice and juicy? Are you good and wet for me?"

Was I? Hurriedly I traced the path she was taking, mimicking with my fingertips the path she had described, till my fingers landed in my pussybush. Then I slipped a finger between my fat, lust-swollen labes—a

good sign!—and encountered the seeping wetness that testified to my turn-on. "Yes!" I exulted. "I'm drenched. I'm soaking for you. I'm a pool of pussy-fluids. Drink it all up."

Pammy laughed. "The more I drink up, the more will flow down. Feel my tongue scarfing up the love-honey from your slit? Feel me teasing all around your clit but never actually touching it? Feel me drinking up your fluids and lapping up every drop I can get?" And she made some kind of noise that sure sounded like a mouth at a very wet pussy—I don't know exactly what she did, but the effect was very realistic, and a shiver raced all the way through my body.

My finger was impatiently swirling around the area of my clit. I itched to touch myself right on my clitoris, to imagine it was Pammy's tonguetip titillating me there. But I was

remaining faithful to her scenario, and she wasn't at my clit yet. She was deliberately avoiding it. So I did the same. But my whole body ached to feel her tonguing me there.

At last she got to my clit. "Ooooooh—so big. So swollen. You must be very, very hot," her soft, female voice purred into my ear. Suddenly something in me clicked. I began talking to her.

"Yes...I am hot...I want to feel your tongue on my clit...but I want to tongue your clit too. I want to taste your nectar. I want to feel the point of your clit under my tongue. I want to suck on your big, pillowy breasts and feel how soft they are as I suck on them. I want to burrow my face in your slit and feel your nectar coating my nose and cheeks and chin. I want to taste your syrup. I want to see how another woman tastes."

"First-timer, huh?" Pammy's voice was sympathetic, understanding. "Let's make this a memorable ex-

(I push his cock up against his belly and fill my mouth with one ball, then the next, then both. My tongue works them over inside my mouth as I stroke his cock...)

perience for you. You do anything you want to me.”

“What do you like done to you? I never...I don't know how...I don't know how to please another girl.”

“Probably the same things you like done to you. Give or take a few variations for individuality. But it's real exciting when you know it's another girl working over you. Let's 69. That way you can feel my boobs pressing into you while I'm going down on you... while you're going down on me. You'll really know it's another girl doing you. You can taste my tangy syrup...it's really different from a guy's pre-cum. Ever tasted your own? Ever put a finger to yourself and tasted your own stuff?”

“Umm...no. Uh-uh.”

“Do it. Do it now.”

I did. It was tangy, sharp, but not unpleasant.

“Do you like it?”

“Umm...yeah. I think I do. Yes.”

“What are you doing now?”

“Tasting it again,” I admitted, licking my nectar off my fingers voraciously. “It's good. I'm pretending it's your pussy-honey. I'm pretending I'm licking your slit.”

“Tell me how you're licking it. What are you doing?”

My finger was busily skating over my clitty-nubbin now. It didn't match the words we were speaking. I was too hot to care. As I talked to Pammy, I could just taste her sloppy slit—aided by tasting my own secretions off my finger, which I periodically removed from my slit so I could slurp them.

“I'm dragging my tongue through your slushy slit,” I told her. “I'm tasting your pouring juices and soaking my face in it all. And now I'm putting three fingers up your pussy-hole and stroking the walls of your channel.”

“Tongue me faster,” Pammy squealed. “Tongue me harder. I'm gonna come. I'm tonguing you faster too. Come with me! Come with me!”

“Oh, yes! Yes! Yes, do it, come! Make me come! Get me off! I'm so hot! I want to explode. I need to get off. Make me orgasm!” I was gasping the words as I thrashed around on the bed, my hand wildly fingering my puffed-up clit with three fingers at once.

Pammy sounded just as breathless and just as needful. She was gasping out the words she said, urging me to orgasm with her “Any minute...any second...here it comes...I'm gonna do it...I'm gonna...I'm... I'm...oh! Ohhhhhh!”

And I came too, my fingers propelling my clit into explosion as my passion-wracked body writhed in the throes of a

real body-shatterer.

Afterward, I thanked Pammy. I felt suddenly almost shy again. “I really...I really appreciate...all you did.”

“I really was your first, wasn't I? It wasn't just a scene you were playing?”

“No. The truth. I swear. I've been wanting to try lesbian sex, but I didn't know if I'd really like it or not. Now I'm ready.”

“Call back some time. Be sure to ask for me.”

“Thanks,” I said, “but I think I'm ready for the real thing now.”

My boyfriend doesn't know what he helped start with his admission he uses phone sex services. But maybe he'll find out. Maybe once I find a female lover, she'll be someone bi—like I now assume I am—and she'll be willing to include my boyfriend in a three-way. That would be a nice way to pay him back for his help!

(I push his cock up against his belly and fill my mouth with one ball, then the next, then both. My tongue works them over inside my mouth as I stroke his cock...)

BE GENTLE WITH ME

My most exciting sexual experience was last year in the middle of a thunderstorm in the back seat of a limo. I was with this guy and we got rained on for a few hours. We had to share our body heat. We spooned in the middle of the back seat and I reached behind me in search of his cock. I warmed it up and pulled my evening gown up and guided it into my pussy. That kept us warm throughout the storm, and the rest of the night.

I THINK MORE IS CUMMING!
